

THE MORGAN FALCONER
MEMORIAL GOLF DAY
12 MAY 2017

.....
VERULAM GOLF CLUB,
ST ALBANS

The OLLIE Foundation is a charity set up by three parents who recently lost their children to suicide. OLLIE stands for One Life Lost Is Enough.

Our mission is to reduce the number of young people taking their own lives through the following initiatives:

- Removing the stigma of the topic of suicide.
- Improving accessibility of help to vulnerable young people within their local community
- Working within communities to promote good mental health among young people.
- Raising funds to deliver ASIST and safeTALK sessions to professionals working with young people.

Stuart, Jane and Chris will do what they can to prevent other parents go through the trauma of what they have been through. The Ollie Foundation are organising a Golf day to raise funds for these vital goals.

Verulam Golf Club is situated in the heart of historic St Albans, known as Verulamium in Roman times. The OLLIE Foundation kindly requests support for your participation in our second event.
